Festive Season 2026

Annabelle

THE SEASON IN FULL SPLENDOUR

From the first festive toast beneath the double-height Lobby to the last song of the evening on New Year's Eve, Annabelle's festive fortnight is full of gatherings.

Bake the sweets of a Cypriot Christmas with our chefs, shake a festive cocktail with our bartender, or spend an afternoon at a village Christmas market in the hills. Gather for gourmet dinners at Amorosa and Ouranos, then see in 2027 with DJ beats, a shared countdown and dancing until the early hours.

We look forward to celebrating
the season with you.

The Annabelle Team

CELEBRATE THE MOMENTS THAT MATTER

Lobby Magic

The double-height Lobby Lounge is where the season gathers. Choose from our festive cocktail selection, poured all day. Every evening the grand piano plays, and over Christmas the Lobby fills with the songs of the season.

Festive Afternoon Tea

Some traditions are made for December. Each afternoon in the Lobby Lounge, tiered stands arrive laden with festive treats, served with a pot of your favourite tea. Served daily, 12:30–18:00. A vegetarian Festive Afternoon Tea is also available.

FESTIVE CLASSES

The best festive memories are often the ones you make with your own hands. Our classes are kept small and run on selected days through the festive season. Places are limited, so please contact Guest Services to reserve yours.

Festive Baking Class · Mediterraneo · 10:30

Spend a morning with our chefs learning the sweets that fill Cypriot kitchens at Christmas, from buttery kourabiedes dusted in sugar to honey-soaked melomakarona. Shape them, bake them, and taste them warm from the oven. For 6–10 guests.

Cocktail Class · Ouranos · 17:00

Up on the rooftop, as the harbour turns gold, our bartender shares the secrets behind the season's cocktails, then hands the shaker over to you. For 4–8 guests.

Local Wine Masterclass · Asteras · 17:00

Cyprus has been making wine for thousands of years. Taste the island's own wines in a guided masterclass, and hear the stories of the villages and vineyards they come from. For 10–25 guests.

FESTIVE DAYS OUT

Christmas Village Market

Statos–Agios Fotios · 13:45–18:00

Swap the seafront for the Paphos hills. We'll take you up to the village of Statos-Agios Fotios for an afternoon at its Christmas market, and bring you back to Annabelle in time for dinner. Return transport is arranged by the hotel. For 6–12 guests.
